Decorations Policy

At Tattu, we want to provide a safe and enjoyable dining experience for all our guests. To ensure the safety of our premises and customers, we do not allow any table decorations or balloons in our restaurants, as they can interfere with our alarm system.

However, we understand that special occasions often call for decorations, and we are happy to help make your celebration memorable. If you bring balloons or decorations with you, our team will keep them secure for you during your visit.

Thank you for your cooperation in helping us maintain a safe and secure environment for everyone. We look forward to welcoming you to Tattu.
