Cake Policy

At Tattu, the safety and well-being of our guests is our top priority. For this reason, we have a strict allergen procedure in place that prohibits outside food, including cakes, from being brought into our restaurants.

We understand that you may wish to celebrate a special occasion with a cake or dessert, and we are happy to assist you in finding a suitable alternative. Please contact our team in advance to discuss what options we have available and how we can help you make your celebration memorable.

Thank you for your understanding and cooperation in keeping our restaurants safe and inclusive for all our guests. We look forward to welcoming you soon at Tattu.
