Four Seasons Four Reasons

“Four Seasons, Four Reasons” is our new brand narrative that stands for: continual creation, remarkable vision and a single-minded dedication to the highest standards of sensory dining.

Each quarter our restaurants will be transformed by colour to mark the turn of the season. We offer four unique experiences throughout the year where every encounter embraces innovation.

January to March – A Winter Romance

April to June – Cherry Blossom Season

July to September – Spirit of Summer

October to December – The Great Snow

Cuisine

Tattu delivers contemporary Chinese cuisine, fusing traditional flavours with modern cooking methods and exquisite presentation to create a unique and exciting dining experience.

Diners are encouraged to embrace the customary approach of sharing dishes with their guests, from colourful dim sum and luxurious small plates, to contemporary main course dishes and stunning desserts. Each seasonal menu is created by Tattu's talented chefs utilising only premium ingredients sourced from carefully selected suppliers.

Our menus are broken down into four sections, Dim Sum, Small Plates, Large Plates, Sides and Desserts. The concept follows Chinese dining traditions of delivering food to the centre of the table to be sampled by everyone rather than the customary starter, main and dessert structure. As a social experience this invites more interaction and engagement between our customers and our team.

Dim Sum is a style of Chinese cuisine prepared as small bite-sized portions of food served in steamer baskets or small plates. They are an art form in themselves and can take be adapted to contain a range of interesting ingredients and shapes. The production of dim sum is highly skilled and specialist which makes it a rare concept outside of very traditional Chinese restaurants. At Tattu we experiment with unusual flavour combinations, colours and shapes to produce unique dishes that can't be found anywhere else.

To ensure our product is unique our menus go through a lengthy creative process, starting with a simple and recognisable flavour profile our team then formulate ways to expand on this profile from a new angle and presentation. Tastings are held weekly and an idea can be refined up to ten times before the final product is created ready for our seasonal updates.

Large Party Tables

For parties of 10 – 18 guests, we have our two circular booths, both mirrored with the reflection of the restaurant ahead and covered by our iconic Cherry Blossom.
