# 瑞雪兆丰年 THE GREAT SNOW

The Great Snow

瑞雪兆丰年

A fall of seasonable snow gives promise to a fruitful year.

Step into an enchanted winter scene as snowfall dusts the landscape and our iconic cherry blossom trees turn icy blue, adorned with frost they will shimmer and sparkle as you dine. Be fully immersed by the Northern Lights as you celebrate with loved ones, our wall art comes to life with a dazzling show of The Aurora Borealis.

Taking inspiration from the Northernmost provinces in China where snow-capped mountains and bright stars scatter the horizon, Tattu embraces The Great Snow this winter; a celebrated moment in the Chinese Calendar symbolising royalty, dignity, and purity.

With elevated modern-Chinese dishes, artfully curated limited-edition cocktails and showstopping snow-scaped desserts, we'll make sure that each moment is truly memorable.

This Winter Tattu is designed to entertain all the senses.

Book your perfect party date now.

# Cuisine

Tattu delivers contemporary Chinese cuisine, fusing traditional flavours with modern cooking methods and exquisite presentation to create a unique and exciting dining experience.

Diners are encouraged to embrace the customary approach of sharing dishes with their guests, from colourful dim sum and luxurious small plates, to contemporary main course dishes and stunning desserts. Each seasonal menu is created by Tattu's talented chefs utilising only premium ingredients sourced from carefully selected suppliers.

Our menus are broken down into four sections, Dim Sum, Small Plates, Large Plates, Sides and Desserts. The concept follows Chinese dining traditions of delivering food to the centre of the table to be sampled by everyone rather than the customary starter, main and dessert structure. As a social experience this invites more interaction and engagement between our customers and our team.

Dim Sum is a style of Chinese cuisine prepared as small bite-sized portions of food served in steamer baskets or small plates. They are an art form in themselves and can take be adapted to contain a range of interesting ingredients and shapes. The production of dim sum is highly skilled and specialist which makes it a rare concept outside of very traditional Chinese restaurants. At Tattu we experiment with unusual flavour combinations, colours and shapes to produce unique dishes that can't be found anywhere else.

To ensure our product is unique our menus go through a lengthy creative process, starting with a simple and recognisable flavour profile our team then formulate ways to expand on this profile from a new angle and presentation. Tastings are held weekly and an idea can be refined up to ten times before the final product is created ready for our seasonal updates.

## Large Party Yin Area

Our traditional wooden fretwork and carefully styled lighting casts shadows and create the effect of waterfalls down our granite walls.

Here we have spaces for a variety of group sizes from 8 to 60 guests, in a semi-private area whilst enjoying the ambience of the main restaurant.

# Yang Private Dining

Yang is the light element linked with masculinity, growth and fire. This new design is featured in our ground floor bar and dining areas. Utilising light natural materials and imported stone, the space represents the growth of our family business into new realms offering a new take on the traditional Tattu design.

Polished brass reflects light to create a warm glow throughout; the perfect environment to relax with one of our signature cocktails.

Hire our semi-private dining area located in the Yang space for between 10 – 16 guests.

# Venue Hire

This space holds up to 150 guests for a seated dining event or, up to 200 for a drinks and canapé event.
