# The SEVEN SEAS Bounty

---

These new tipples celebrate those before us who travelled the high seas, plundering and pillaging their way across the world and securing bounties. Across these drinks, we have fused together stories of piracy and cultural influences with a dash of innovation, to create a selection of truly unique serves.

Follow our food, drink and interior journey.

## SHI COSMO

*Shi Yang started her life as a lady of the night. She sought her escape and turned her hand to piracy becoming the most successful female pirate in history.*

*In this drink, the combination of floral notes and spices celebrate her status as the ultimate femme fatale.*

## GOLDEN FRENZY

*Blackbeard was active during the 'Golden Age' of piracy. As a means of seeming more fearsome, he would light matches in his beard and hat to intimidate anyone who crossed his path.*

*The bold nature of chocolate and mint combined with premium rum is perfect for hedonists.*

16.50

## MARINERS MAI TAI

*"A sailor without a tattoo is like a ship without grog - not seaworthy." Sailors adopted body art as a means of marking their far flung expeditions to uncharted islands.*

*Tattu's Mai Tai champions tropical fruits and embraces the fearless nature of an exotic rum.*

14.50

## PURE HEART PICANTE

*Fermin Mundaca established a fort on Isla Mujeres off the coast of Mexico using his fortune from the slave trade. He famously pursued a woman with skin the colour of honey and eyes the colour of olives, but to no avail and died early of a broken heart.*

*A love for Latin ingredients take centre stage in this honeyed riff on a Margarita.*

14.00

## OO LONG OLD FASHIONED

*The East India Company were the most successful and brutal pirates of all. Under an 'official' banner, they took what they wanted without question and destroyed anyone in their path.*

*Tea takes centre stage in this Old Fashioned, which is dangerous and rich like the company themselves.*

17.50

BACARDI OCHO

BROWN BUTTER

OO LONG TEA

VELVETY & PUNCHY

## EMPEROR'S SIGIL

*The Longwang Dragon Kings were naval gods who lived in the four oceans protecting seafarers and delivering rain when needed.*

*The fiery nature of these dragons is represented through szechuan pepper that meets ethereal notes of jasmine in our transcendental Whisky Sour.*
