LEIGONG'S MACE

£35

Designed for 2

Based on Leigong, the God of Thunder—the dragon god of thunder. Leigong began life as a mortal. While on earth, he encountered a peach tree that had originated from Heaven during the struggle between the Fox Demon and one of the Celestial Warriors. When Leigong took a bite out of one of its fruits, he was transformed into his godly form. He soon received a mace and a hammer that could create thunder. Brugal 1888, peach, yuzu, pineapple and lemon.

AGAINST THE CURRENT

£16.50

Gaining strength by fighting against the current, the Koi school glimmered as they swam together through the river. Leaping from the depths of the river, they attempted to reach the top of the waterfall but to no avail. After a hundred years of jumping, one koi finally reached the top of the waterfall. The gods recognized the koi for its perseverance and determination and turned it into a golden dragon, the image of power and strength. This signature drink combines Bobby's Gin, Smoky Aperol and lemongrass.
