

This year marks a monumental milestone as we celebrate 10 years of creating unforgettable moments at Tattu. From the first dish served to the countless memories shared, we are deeply grateful to you, our guests, for being at the heart of our journey.

Here's to the next chapter, together.
Thank you for your continued support.

CELEBRATING
10 YEARS OF
INIMITABLE MOMENTS

EST. 2015

The
SEVEN SEAS
Bounty

These new tipples celebrate those before us who travelled the high seas, plundering and pillaging their way across the world and securing bounties. Across these drinks, we have fused together stories of piracy and cultural influences with a dash of innovation, to create a selection of truly unique serves.

Tattu Team

Follow our food, drink and interior journey.

SHI COSMO

Shi Yang started her life as a lady of the night. She sought her escape and turned her hand to piracy becoming the most successful female pirate in history.

In this drink, the combination of floral notes and spices celebrate her status as the ultimate femme fatale.

For every Shi Cosmo sold, £1 will be donated to our charity partner Eat Well MCR.

LADY ROGUE SOUR

As women were not commonly allowed aboard ships in the 18th century Mary Read and Anne Bonny disguised as men, sailed the seas together becoming 2 of the most notorious female pirates to roam the seven seas.

MARINERS MAI TAI

"A sailor without a tattoo is like a ship without grog - not seaworthy." Sailors adopted body art as a means of marking their far flung expeditions to uncharted islands.

Tattu's Mai Tai champions tropical fruits and embraces the fearless nature of an exotic rum.

PURE HEART PICANTE

Fermin Mundaca established a fort on Isla Mujeres off the coast of Mexico using his fortune from the slave trade. He famously pursued a woman with skin the colour of honey and eyes the colour of olives, but to no avail and died early of a broken heart.

A love for Latin ingredients take centre stage in this honeyed riff on a Margarita.

OOLONG OLD FASHIONED

The East India Company were the most successful and brutal pirates of all. Under an 'official' banner, they took what they wanted without question and destroyed anyone in their path.

Tea takes centre stage in this Old Fashioned, which is dangerous and rich like the company themselves.

EMPEROR'S SIGIL

The Longwang Dragon Kings were naval gods who lived in the four oceans protecting seafarers and delivering rain when needed.

The fiery nature of these dragons is represented through szechuan pepper that meets ethereal notes of jasmine in our transcendental Whisky Sour.

LEIGONG'S MACE

£35

Designed for 2

Based on Leigong, the God of Thunder—the dragon god of thunder. Leigong began life as a mortal. While on earth, he encountered a peach tree that had originated from Heaven during the struggle between the Fox Demon and one of the Celestial Warriors. When Leigong took a bite out of one of its fruits, he was transformed into his godly form. He soon received a mace and a hammer that could create thunder. Brugal 1888, peach, yuzu, pineapple and lemon.

AGAINST THE CURRENT

£16.50

Gaining strength by fighting against the current, the Koi school glimmered as they swam together through the river. Leaping from the depths of the river, they attempted to reach the top of the waterfall but to no avail. After a hundred years of jumping, one koi finally reached the top of the waterfall. The gods recognized the koi for its perseverance and determination and turned it into a golden dragon, the image of power and strength. This signature drink combines Bobby's Gin, Smoky Aperol and lemongrass.
