YUZU COBBLER

Bold, Spirited, Opinionated

£12.50

Casamigos Blanco, yuzu, melon

Japanese gang culture is influenced by tattoos, namely with the Yakuza gang. They would cover themselves with body art, each piece signifying their status and always concealed under their suits. This cobbler masks a punch of flavour that bleeds through the glass.

MODERNIST MARGARITA

Crisp, Herbaceous, Citrussy

£13.50

*Casamigos Mezcal, rosemary,
spiced orange*

New School body art is the art of taking imagery such as cartoons, comic inspiration or characters and using vibrant colour to bring them to life. We've put a Tattu twist on the classic Margarita to bring excitement and vigour to one of our nation's favourites.

CUBIC SOUR

Balanced, Silky, Stone Fruit

£14.50

*Ron Santiago de Cuba,
apricot, lime*

Geometric Body Art is the use of fine lines and accurate shapes to create delicate, minimalist tattoos. As with geometry, we've curated with precision, an apricot gin sour where each ingredient is considered with absolute finesse, producing supreme balance.

SELF-EXPRESSION SOUR

£13.50

Silky, Spiced, Fragrant

The Botanist Gin, ginger, honey

Tribal tattoos are commonly associated with formerly far-flung destinations, taking inspiration from tribes in the Pacific Ocean. "A sailor without a tattoo is like a ship without grog – not seaworthy." Sailors adopted body art as a means of marking their far flung expeditions to uncharted islands.

OLD WORLD SPRITZ

Crisp, Effervescent, Bright

£5 / £8*

Ketel One, Plum Sake, mango

Henna tattoos are a form of temporary body art, hugely popular in Subcontinental Asia and throughout Africa. At celebrations, Henna is adorned across hands and arms as a display of beauty. This drink offers a bountiful array of exotic flavours that combine, creating a drink ideal for celebrations.

*Non-alcoholic

VERITY FIZZ

Punchy, Fizzy, Vibrant

£14.50

*Tanqueray, Muyu jasmine,
rice wine*

Realism is a mash up of influences used to create tattoos that seem to jump off the skin. Often fearsome and always unique, this style of body art is not for the faint hearted. Our take on a highball brings boldness and strength to the delicate appearance of this liquid.

While on earth, he encountered a peach tree that had originated from Heaven during the struggle between the Fox Demon and one of the Celestial Warriors. When Leigong took a bite out of one of its fruits, he was transformed into his godly form. He soon received a mace and a hammer that could create thunder. AGAINST THE CURRENT

£16.50

Gaining strength by fighting against the current, the Koi school glimmered as they swam together through the river. Leaping from the depths of the river, they attempted to reach the top of the waterfall but to no avail. After a hundred years of jumping, one koi finally reached the top of the waterfall. The gods recognized the koi for its perseverance and determination and turned it into a golden dragon, the image of power and strength. This signature drink combines Tanqueray, smoky Aperol and lemongrass.
