

# The Seven Seas Bounty

---

These cocktails celebrate those before us who travelled the high seas, plundering and pillaging their way across the world and securing bounties. Across these drinks, we have fused together stories of piracy and cultural influences with a dash of innovation, to create a selection of truly unique serves.

## The Celestial Dragon

While on earth, he encountered a peach tree that had originated from Heaven during the struggle between the Fox Demon and one of the Celestial Warriors. When Leigong took a bite out of one of its fruits, he was transformed into his godly form. He soon received a mace and a hammer that could create thunder. ## Against The Current

£16.75

Gaining strength by fighting against the current, the Koi school glimmered as they swam together through the river. Leaping from the depths of the river, they attempted to reach the top of the waterfall but to no avail. After a hundred years of jumping, one koi finally reached the top of the waterfall. The gods recognized the koi for its perseverance and determination and turned it into a golden dragon, the image of power and strength. This signature drink combines Tanqueray, smoky Aperol and lemongrass.
