Guests with allergies and intolerances should make a member of the team aware before placing an order for food or beverages. Guests with allergies or intolerances should be aware that although all due care is taken, there is a risk of allergen ingredients still being present.

Please note our menu dishes are prepared in a kitchen that is not totally free from allergen ingredients and therefore cross-contamination may occur. Our hygiene practices are designed to reduce the risk of allergen contamination and our teams receive training to help ensure that these standards are met.
